### To whomsoever it may concern

M/s. Insight Associates have successfully completed the assignment of training, hand-holding and guiding Mayur through the process of creating the UNGC CoP (Global Compact of United Nations - Communication on Progress) for the year 2020-21 for its plant at Jaipur.

The Training workshops and hand-holding project covered in-depth industry- specific conceptualization and support for...

- UNGC and its 10 principles across four areas i.e. Human Rights, Labour, Environment and Anti-Corruption
- Stakeholder Engagement
- Materiality assessment process
- About SDGs and their harmonization with Global Reporting Initiative-GRI standards
- Prioritizing and Mapping the material topics with SDGs at indicator level

In addition to the contents, *Insight Associates* also provided support in data analysis and setting goals and prioritizing KPIs.

We acknowledge the competencies of team *Insight Associates*, which possesses hands on experience and subject knowledge in the field for Capacity Building and Sustainability Reporting under national and international Reporting Standards.

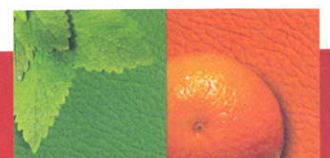

This certificate is issued as a completion of the assignment.

We wish Insight Associates all the success in its future business endeavors.

Thanking you,

Arun Kumar Bagaria  
 Executive Director
